

**The Institute of Engineering of the National Autonomous University of México (UNAM)
and the Inter-American Association of Sanitary and Environmental Engineering (AIDIS)**

C A L L (Sixteenth Edition)

the undergraduate and graduate students of environmental or similar engineering that are attending the last year of their academic program, or recently graduated, and that are born or reside in an AIDIS member country excepting México, to participate in the

B A S I S

1. The participants will have to fulfill the following requirements:
 - a. To be born or legally reside in an AIDIS member country, excepting México. The foreigner residents in Mexico will not be considered as candidates.
 - b. To be not older than 24 years for engineering degree and 26 years for master degree at the deadline of submission.
 - c. To have received the degree in environmental engineering (or similar degree) between February 24th and July 14th 2014, or to be attending the last year of a master in environmental engineering program (or similar), in a university located in an AIDIS member country, excepting México.
 - d. Submit a request, with supporting documents (original and two copies) to the National Chapter offices of the corresponding AIDIS national member. Besides, a copy of the request (with scanned supporting documents as an attachment) must be send by e-mail to the Institute of Engineering UNAM (mec@pumas.ii.unam.mx). Moreover, another copy of the request (without supporting documents) must be send by e-mail to the AIDIS Executive Direction (aidis@aidis.org.br).

The dossier must include the following documents:

- Request properly filled.
- Resume. (*Curriculum Vitae*)
- Birth certificate copy.
- Copy of the environmental engineer or master degree (or similar), according with the case.
- If it is the case, copy of the registration in the environmental engineering master program (or similar) and a letter of the academic advisor authorizing the student to participate in this call.
- Academic background (academic notes or ranking register of the courses conforming the curricula).
- 3 academic recommendation letters.
- A certificate of good health by a recognized institution in the respective country.
- Copy of passport valid for more than one year from the date of submission of the request.
- Motivation letter.

2. The AIDIS National Chapters will evaluate the dossiers properly presented and will define a unique candidate by country. The National Chapter must send this information physically and by e-mail to the Institute of Engineering UNAM (Edificio 1, Fernando Hiriart Balderrama, 2º piso. Circuito Escolar, Ciudad Universitaria. 04510, México D.F. Tel: +52 (55) 5623 3601 addressed to Dr. Adalberto Noyola or M.Sc Margarita Cisneros, e-mail: mec@pumas.iingen.unam.mx).

The final selection will be done between all the presented candidates by each AIDIS Chapter by a jury integrated as follows: three academics appointed by the Institute of Engineering UNAM, the President of the Mexican Chapter of AIDIS and a representative of AIDIS. Their decision will be final.

3. The scholarship will be granted in one of two categories, major or master degree. This will consist of a monthly amount of \$10,400.00 Mexican Pesos (engineer degree) and \$11,700.00 Mexican Pesos (master degree) during six months, without any additional period. The scholarship holder will carry out full time research work at the Institute of Engineering facilities at UNAM, and should prepare a working plan during the fifteen days after the scholarship start.

4. The important dates for this procedure are the following:

Request and dossier submission: until July 14th 2014

Notification to the successful candidate: August 11th 2014

Start of the scholarship period: October 1st 2014

End of scholarship period: March 31st 2015

5. Any aspects not considered in this call will be decided by the Internal Board of the Institute of Engineering UNAM.

“POR MI RAZA HABLARA EL ESPIRITU”
University Campus, DF; May 2nd, 2014
The Director

Dr. Adalberto Noyola Robles
